

# Coronavirus Emergency Measures

- Any plot-holder who is **self isolating** because a household member is ill with corona-virus should not be visiting the site.
- It is important that anyone attending the allotment takes care to stay the appropriate distance from others, avoid body contact and wash hands at taps, do not wash hands or use detergents in the water tanks and please pay attention to notice boards.
- It is essential that no unauthorised people are allowed onto the plots for the duration of this emergency, if you do wish to bring someone to assist with work on the plot, please ensure that this is notified either to your site manager.
- We are living through a crisis, the likes of which none of us has experienced before, not since war time has the community spirit that exists on allotment sites been more important. Please remember to look out for one another during these very difficult times.
- Keep hand sanitiser in your shed and wash your hands regularly
- Use hand sanitiser before opening and closing any gate locks
- Observe “Social Distancing” with each other 2-3 metres
- Minimise the contact with each other for example no handshakes
- Do not wash your hands in water troughs
- Do not share tools without taking adequate precautions before and afterwards (hand washing and sanitiser).
- Stay away from vulnerable individuals such as the elderly and those with underlying health conditions as much as possible
- If you display any symptoms of coronavirus stay at home and self-isolate for at least 14 days or until symptoms have passed.
- We do not accept cash at the trading hut. Bank transfer only.
