Site Representatives:

Rent Collector - R Gutteridge

Site Manager - R Lloyd

Action from previous minutes:

- Flooding - The Association states that it is up to us to contact Severn Trent Water to ask for action to prevent further flooding.
- Problems regarding weed control on plots where ploholders are ill and don't respond to offers of help - letter to be sent explaining the difficulty of weeds spreading to adjacent plots.
- Rules for ploholders read and the insertion of 2 items was requested.
 1. Dogs must be kept on owner's plots and under control at all times.
 2. Family members are allowed possession of gate keys occasionally.
- Boundary fence - Extra metal fencing is to be welded over the existing fence to deter access. The site where the thorny Rosa shrubs are to be planted has been strimmed and now needs to be treated with weed killer.

A.O.B:

- The show is set for August 25th.and posters advertising it are to be put up in Bloxwich.
- Scaffolding planks are available at £4 each. See notice board for details
