

Grenfell Road Allotment Meeting 9th. August 2014 at 10:30

Present: T Middleton, A Middleton, L Onions, T Hancox, D Devey, T Kitchen,
J Kitchen, F Vale, P Jones, T Bennett ,B Baines. K Clayton, W Clayton, J Collington,
J Collington

The request for a strimmer from the Association is ongoing. Tom will repeat the request at the next meeting.

An E-Mail has been received from Alison Bates re the disabled toilet. Tom is to ask for a face to face meeting to clarify the situation.

Many thanks to Barbara and Les for setting up the Best Plot Competition and to the judge who waved his fee. The winners are listed on our web site. Andrew is printing the certificates for the winners.

The skip arrived on site, was filled almost in one day and was collected by the skip company. We are the only allotment in North Walsall to be in the Smokeless Zone and therefore unable to burn our waste. The skips are very necessary when new plotheolders are clearing their plots but plotheolders are asked to take their own rubbish home for disposal as far as possible.

Andrew has moved the rubble at the side of the road to the side where it will provide infill when the road is widened.

7 people are now on the waiting list.

The site kitty stands at £338 and Andrew is to look into opening an account with Barclays.

The Association has asked for ideas on how to minimise costs when the council reduce their grant next year. One idea is to eliminate the cost of the Annual Show.

Meeting closed at 11:30 Next meeting on Sat. 6th. September.
