

Grenfell Road Allotment Committee Meeting

Meeting held February 11th. 2012 at 10. 40

Present: R. Lloyd, W Clayton, K Clayton, B Leese, L Riley, A Middleton,
T Middleton, T Kitchen, J Kitchen, P Box, L Onions,
R Gutteridge

Site Representatives:

Site Manager - R Lloyd

Rent Collector – R Gutteridge

Actions from last minutes:

- Gate Lock – Vote taken to replace the combination lock with the previous key operated padlock from 11th February. It was proposed that a new padlock would be fitted in September when rent is collected and ploholders would be issued with new keys. The theft of a chicken co-op and the theft of the piping in both toilets might indicate that the thief had access to the combination. Also, ploholders found that the combination lock unsatisfactory. It was felt that ploholders needed reminding that keys or combination numbers must not be passed to a 3rd. party.

A.O.B.

- The Association has been given the grant for the year and the dangerous trees to the rear of the site are to be felled and a request for the paths on the site to be repaired will be made at the next Association meeting. (Feb 13th.)
- A list of ploholders' responsibilities is to be prepared and given to all ploholders in the form of a leaflet.

Meeting closed at 11: 45
