

## Grenfell Road Allotments Meeting 5<sup>th</sup>. July 2014 at 10:35

Present: K Clayton, W Clayton, B Leese, L Riley, T Middleton, A Middleton, T Hancox, R Bristow, T Devey, L Onions, T Kitchen, J Kitchen, F Vale, T Bennett.

Apologies: P Box, J Devey.

Andrew's strimmer has been used to remove weeds on overgrown plots. We will continue to request Association funding to buy one for the site.

Jason is to approach Alison Bates with a request for toilets to be built in the top carpark so that waste can be sent directly into the sewers. If money is not available for both male and female toilets then we need one unisex toilet with disabled access.

There are 7 entries for the Best Plot Competition and 2 for the Novice section. Judging will be on July 14<sup>th</sup>. and Barbara will accompany the judge around the site.

A skip is to be requested at the next Association meeting. Plottolders are reminded that all plastic waste should be taken home.

Andrew has undertaken the removal of rubble on the side of the roadway. It is to be used to fill the brook.

There are 6 names on the waiting list. 3 plots are due to be vacated shortly.

A unanimous vote was taken for action to begin over 2 overgrown plots.

At present there is £293 in the site kitty. A resolution was passed to open a bank account to be opened and a finance committee to be set up. Andrew Middleton, Barbara Leese and Bill Clayton volunteered.

Next meeting August 9<sup>th</sup>. 10:30
