The toilets have been cleaned at at cost of £96

Some areas need strimming. We need a strimmer. Les Onions suggested we ask at the Council Allotment Meeting for funding.

The toilet block is not suitable for disabled people. We have a plot on this site for disabled people. We need to ask the Alison at the Council if we could build a new toilet block connected to the mains and with facilities for disabled gardeners.

#### Competitions

Tom has forms for; The Best Plot, Best Newcomer, Growing Crops and The Annual Produce Show.

Russell commented that there is a mess by the bonfire. When are we having a skip? Skips are usually twice a year Spring and Autumn. Tom will find out if we are able to have one.

Tom Middleton can be contacted on 07830322156 if there is a problem.
