### **Actions from last minutes:**

- Trees at rear of site have been trimmed.
- It has been agreed that the roads within the site will be repaired in the Autumn.

### **A.O.B.**

- Another theft of a stainless steel spade and fork has occurred from a shed. Access is thought to have been via the adjoining field gate. It was suggested that the Association be asked to provide some finance towards providing a more secure gate.
- The toilets are not able to be used when the water supply is switched off and , for this reason, the doors are locked at the top lock. The keys to these locks are held by R.Lloyd and R Gutteridge and are only to be used in extreme circumstances.  
The toilets are to be repaired after theft of the water pipes.
- An enquiry was made about possible links with the adjoining school. It was felt that visits to the site by pupils would present Health and Safety problems.
- Anyone interested in information about Bloxwich in Bloom should ring 650000.
- Following a discussion on whether Sat or Sun was best, it was decided to try Sunday for the next meeting.

Date of next meeting is Sunday the 15<sup>th</sup>.April
