Actions from last meeting:

- Frame for gate extension not yet ready.
- Vacated plots are all now allocated- 3 names still on waiting list.
- Joe is investigating supply of weed suppressant sheeting for sale to plot holders.
- The request by a Grenfell Road resident has now been sorted. He will be allocated plot 15 which will allow him to park his van inside the car park. This is on the understanding that the complaint from the resident with regards to noise from plot holder(s) is withdrawn.
- Xmas do on 29th. November at Great Wyrley Junior Football club, Long Lane,- £6 including buffet- see Ron for details.

New Items

- Water is now turned off and the toilets closed.
- The school had complained that asbestos roofing sheet(s) had been leant against the fence- this has now been sorted by removal of said sheets.
- A request is to be made to the school concerning the size and overhang of the trees along the boundary, which because of their size, are creating considerable shade across some of the plots.
