- Ken Heath, a keen grower who had given much time and energy to raising show bench veg. and flowers, has sadly passed away.
- All plot rents have now been received apart from one which Tom is to chase up.
- Currently there is no waiting list for vacant plots and one plot is available.
- Andrew Middleton is to open a community bank account with Barclays at Bloxwich.
- An expensive item has been stolen from a shed and it is evident that the item had been specifically targeted. Other minor thefts indicate that they may have been taken by a key holder or someone with access to a key. Plotters are reminded to be vigilant.

- Water will be turned off after November 5th.
